Powerful Audience Response Systems to engage and interact with your audience.

Immediate Results

Which area of our enterprise needs the most improvement?

30% 1. Customer Relations
20% 2. Human Resources
20% 3. Strategic Management
30% 4. Product Development

The ARS software then produces a real-time slide showing the polling results!

PowerPoint Slides

Which area of our enterprise needs the most improvement?

1. Customer Relations
2. Human Resources
3. Strategic Management
4. Product Development

Using Microsoft Power-Point, the Audience Response sotware creates dynamic questions slides with your choice of questions and themes.

Attendees select an answer and push the corresponding keypad button. The keypad transmits the button selection to the USB RF Receiver connected to a laptop.
